*I am going to be a Prep student in 2021.
I am going to Jimboomba State School.*

Mr Farrell

Mr Pyke

Mr Grayson

Mrs Cech

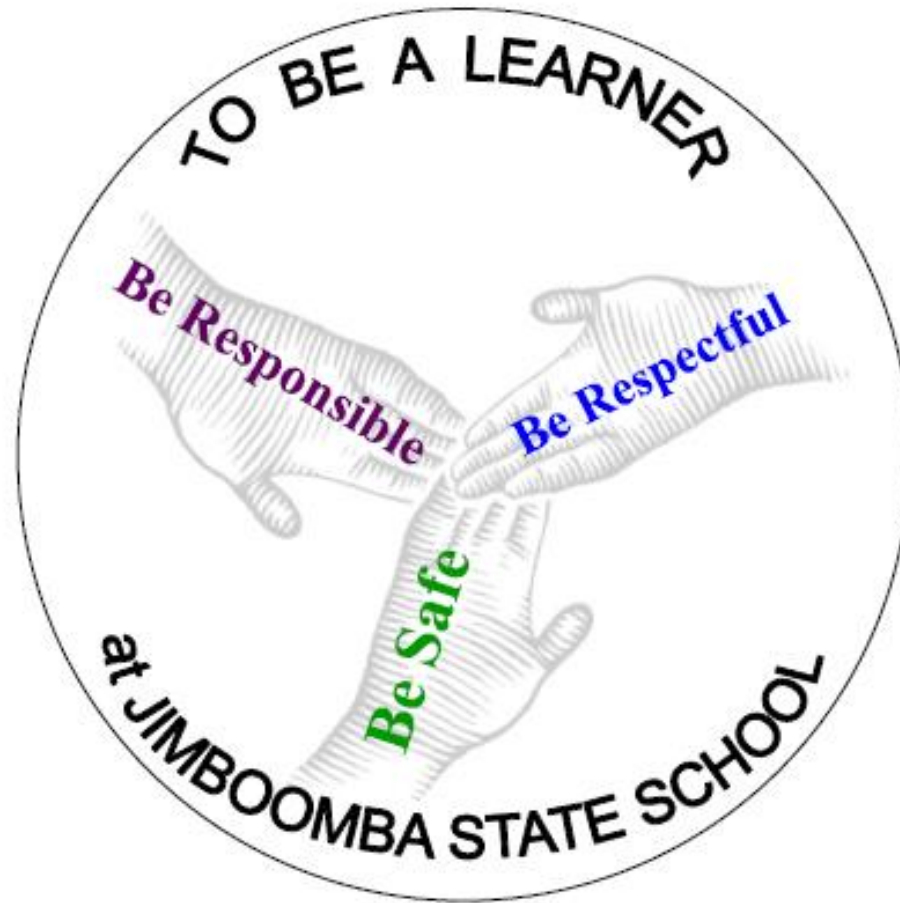

These are some of the teachers at my new school.

*When I go to school I will wear my
uniform. (Draw your face, arms and legs on one of the
uniforms below)*

When I am at school I must follow these rules:

When I get to school I will put my bag in the bag rack or on the bag hook.

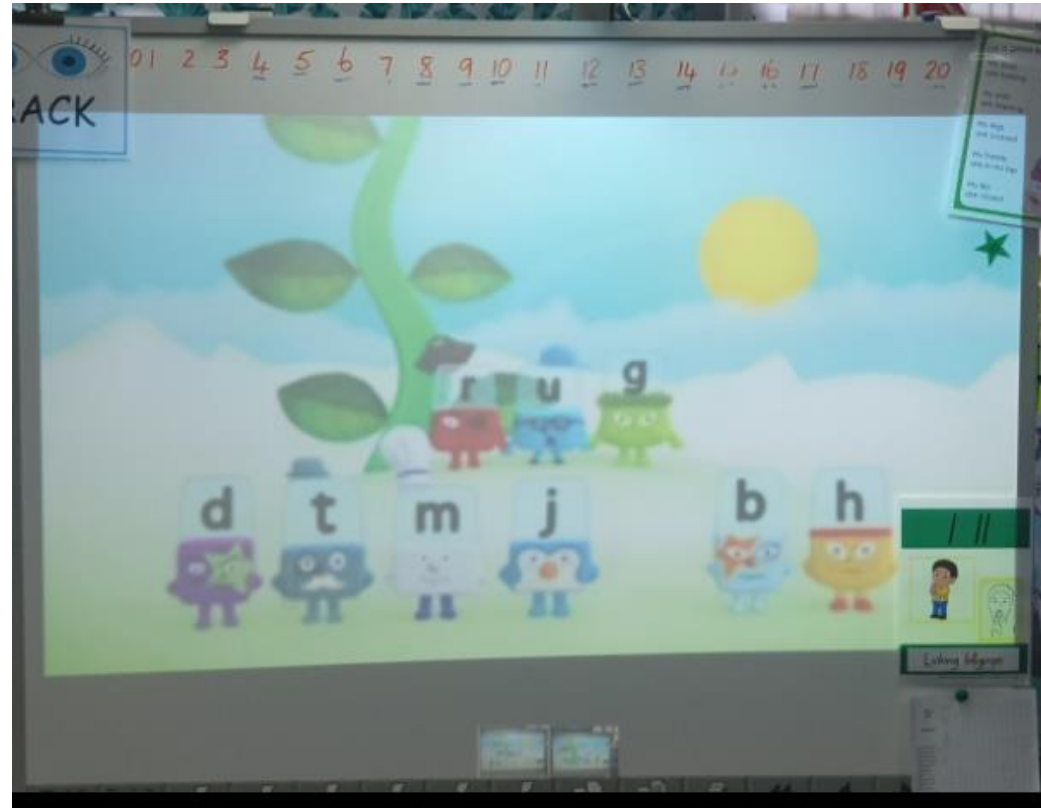

My new prep classroom is a lot like my Kindergarten classroom.

While I am in class I use whole body listening.

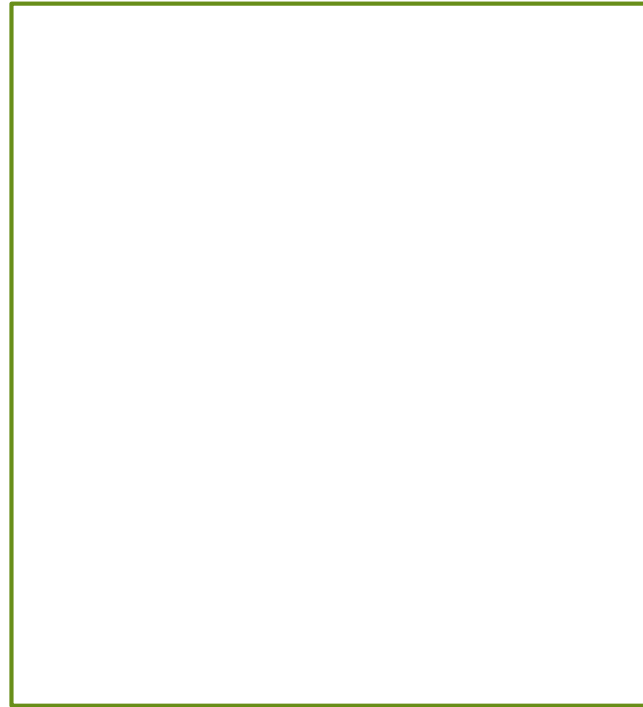

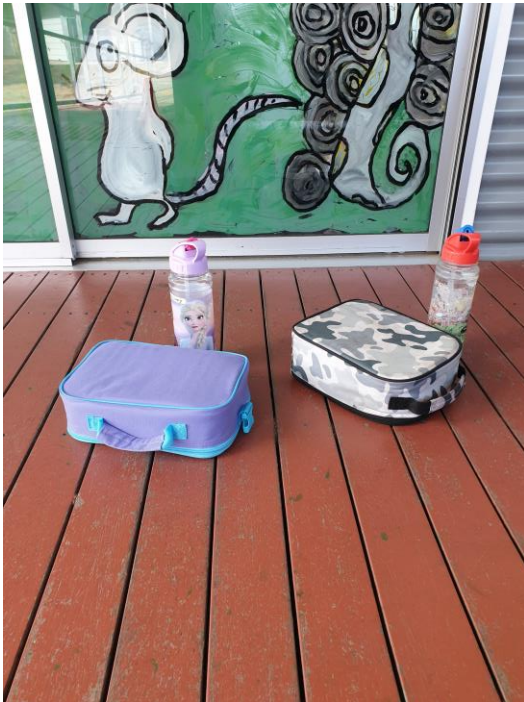

I might watch the special board and do different learning activities with my new class.

At break times I will eat lunch with my friends out of my lunch box.

(Draw a picture of yourself, eating lunch with some friends)

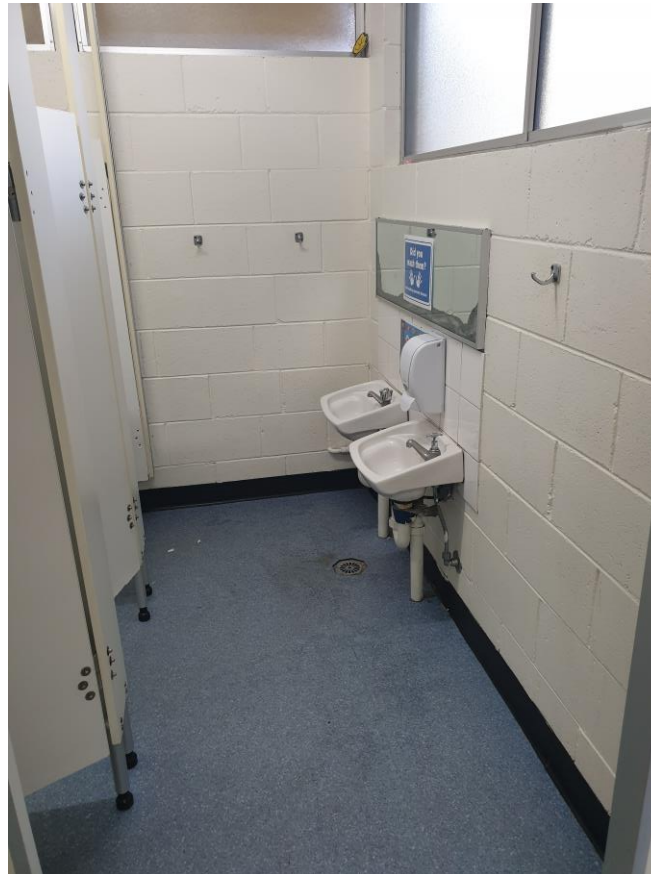

There is a playground and space to play and learn with my friends at school.

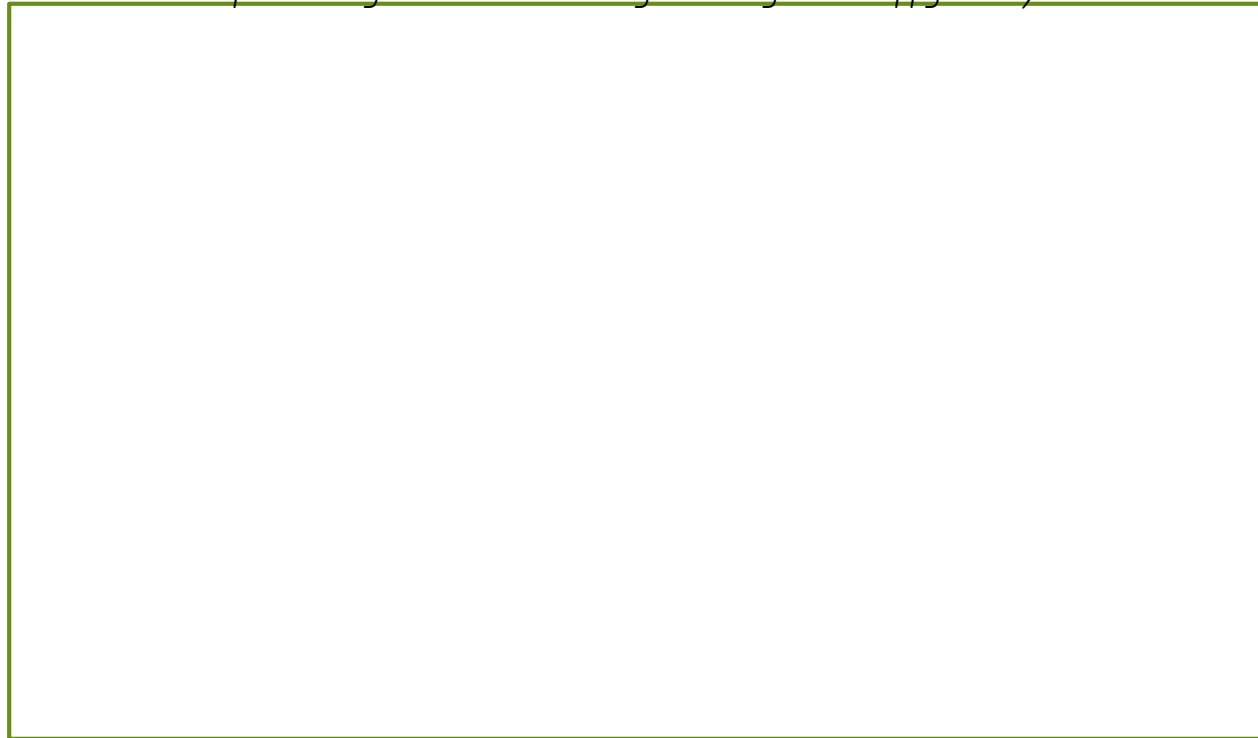

There are also bathrooms, where I can wash my hands and go to the toilet.

(Draw yourself washing your hands).

*In the Afternoon, my family will pick me up
and I can tell them about the wonderful day I
had at my new School, Jimboomba State
School.*

(Draw a picture of you and someone in your family with happy faces.)

*I'm going to have a great time at
Jimboomba State School.*
