Activities since last report

Attendance April 2019

Before School Care Average: 75 Attendance: Lowest 64; Highest 84

After School Care Average: 79 Attendance: Lowest 73; Highest 73

Vacation Care Average: 70 Attendance: Lowest 58; Highest 81

Numbers of attendance are still at a steady pace for April 2019 there has been 4 new enrolments for the month.

Vacation care was very successful with all the activities enjoyed by all children and behaviours were limited by educators keeping the children engaged in fun activities. Jimboomba OSHC are in the process of programming for the July vacation care our service has sent out matter of interest to parents regarding ideas for vacation care the feedback has been great.

Our service has seen two of our valued educators leave due to financial and family commitments. In the next few we will be looking into employing and training another qualified educator to fill in when needed especially when others are on holiday or become sick.

OSHC is looking amazing with some changes new desk in office for Karen and Tiffany to work productively new blinds and new chairs we are just waiting on the tables to arrive and this will add much needed colour into the main room.

Thank you
Jillian Cranston
Coordinator Jimboomba OSHC
