<b>Activities since last report</b>	<p>Over the last couple of weeks, it is beginning to slow down a bit. People seem to react to the weather. If it's cloudy etc. or even a bit windy.</p> <p>Pool heaters are back on and working great. The temperature is reading 29oC – 32oC consistently.</p> <p>We had our first club night 4/03/19. We had 10 children that competed. I think that competition (squad) and school swimming has had an impact to the numbers turning up for club night. I will monitor this to see how these numbers compare.</p> <p>We are lucky enough that a squad parent (Toni Bale) has volunteered to do a monthly Stingrays newsletter to inform all members of things happening within the club such as:</p> <ul style="list-style-type: none"> <li>Club nights</li> <li>Learn to swim</li> <li>Swimming meets and swimmers results</li> <li>General information on the club</li> </ul> <p>I would like to somehow promote the pool, so that next season we have more children from the school that use the pool to better their swimming skills.</p>
